# NOBLE REVELATION

AOP Châteauneuf-du-Pape rouge

*This wine comes from a vineyard of about 80 years old with a small return. It explains that this wine is produced only in 1200 bottles a year. Also, when the quality is not there, we prefer to not create it. We harvest the grape with an optimal maturity and manually to make a very selective sorting.*

### > PRESENTATION

The NOBLE REVELATION is a vintage of exception. It explains that certain vintage wines cannot be realized. Grapes must be high-quality.

### > SITUATION

The grapes are harvested in the municipality of COURTHEZON (Vaucluse-France) at 161 chemin DE PANISSE.

### > THE SOIL

The soil is siliceous with various clays accompanied with round cobblestone. The location, that is a little bit high, allows the MISTRAL (wind) to aerate the vines and so to avoid the diseases.

### > IN THE VINEYARD

It is as an old lady, it is necessary to bring her some attention to reveals us the best. We are doing Gobelet punning. We proceed, in spite of the small return, to a light disbudding in spring and a very brief leaf removal to allow the sun to ruffle the clusters

### > VINIFICATION

The wine making is traditional. As we are waiting the top of maturity for the grape, we pay a particular attention to the temperature control. Sometimes we use selected yeasts but not always. It depends on the degree alcohol and of the year.

### > BREEDING

1 the year or more according to vintage wine. 100 %barriques Burgundian from 3 to 5 wines.

### > THE GRAPES VARIETIES

Grenache : 80%, Syrah : 20%

### > BOOTLING

We are our own implementer in bottle. Rigorous on the conditions of hygiene, temperature as well as on the quality of the bouchonnage, we preferred this solution which allows us to have a total control over our stakes and so to guarantee a good ageing

### > DEGUSTATION

The depth of its colour is due to Syrah grape variety. Then, the nose is a bouquet of ripe fruits, in mouth it has some brightness then the power comes, to finish with spices softness's. A wine to enjoy and savour

### > SERVE

18°C.

### > WINE PAIRINGS

This wine is great with red meat and chocolate!!!
